## **STOP 20 ACRE FILL OF DESIGNATED AMERICAN RIVER FLOODWAY**

## **PRESERVE OUR RIVER!**

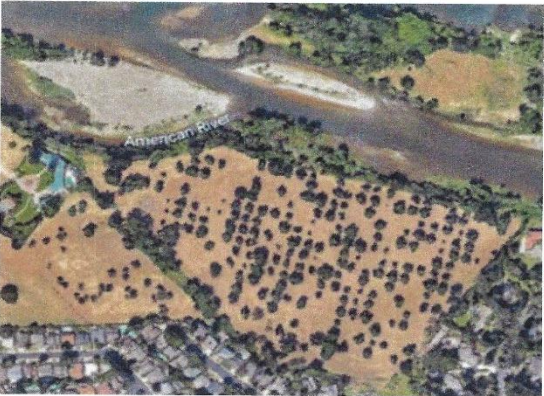

Located below River Bend Park; across the river from William B Pond; along our Wild & Scenic American River.

## STOP 20 ACRE FILL OF AMERICAN RIVER FLOODWAY

### STOP HIGH-DENSITY HOUSING ALONG THE RIVER!

- ~ INCREASES FLOOD POTENTIAL IN PARKWAY
- ~ ABANDONS EXISTING PUBLIC EASEMENTS
- ~ DETRIMENTAL TO PARKWAY CONNECTIVITY
- ~ DESTROYS 298 TREES & HABITAT FOR SPECIES OF CONCERN IN THE PARKWAY
- ~ PROJECT IS NOT NEEDED to meet City regional housing needs assessments.

**From This**

See video: <https://youtu.be/s8o8Eu087No>

Owner thwarted environmental review and safe public access by illegal grading without a permit. Current existing public property rights providing fishing, birding, hiking, and riding access on our Parkway will be abandoned.

Destruction of black walnut grove and wildlife habitat within yards of the Wild and Scenic American River Proposed dense housing will be highly visible from the Parkway. **YOUR VOICE MATTERS!**
